Our Process

- Our office will be in touch with you soon to schedule an onsite consultation and gather a bit more information about your project.
- After the initial consultation, your project manager will send you a proposal with any other options for repair/replacement.
- Once a contract is signed and you've selected your product and color you will receive a pre-installation email that will highlight "What to Expect". We want you to know how to get prepared before our workers arrive.
- Our Assistant Manager, Ashley Bishop, will communicate with you about the projected dates for material delivery and installation, etc..
- We've nailed the last shingle and cleaned up! Finally, you can enjoy the benefits of your new roof! An invoice will be sent to you and the project manager will come by to tie up any loose ends and do a full walk-through with you.

We provide a Lifetime Workmanship Warranty on most roof replacements. Our warranty covers workmanship for as long as you own the home. We are also fully Insured and Licensed with The Alabama Home Builders Board.
